

Microsoft Office 365

Better Productivity. More Mobility.

OFFICE 365: FAMILIAR OFFICE APPLICATIONS CUSTOMERS CAN RELY ON.

Innovative Business Solutions

Stay ahead of the competition and help your employees work from anywhere online or offline, complete complex projects and collaborate at optimal levels.

Office 365 ProPlus & Business Plans

Fusion Connect blends the Office 365 ProPlus & Business suites of Microsoft business applications with its Hosted or Managed Exchange services. All the latest versions of the well-known Office desktop applications - Word, PowerPoint, Excel, Outlook, OneNote, Publisher, Access, and Skype for Business - can be readily accessed on up to 5 PCs, Macs, and mobile devices.

Full Access to the Office Suite:

- **Word** lets you create documents with style and polish as well as work with others easily.
- **Excel** provides intuitive ways to explore your data allowing for new data insights. It also learns and recognizes patterns and auto-completes remaining data.
- **PowerPoint** lets you design beautiful presentations.
- **Outlook** features tools to manage the demands of your email, schedules, contacts, and task lists.
- **OneNote** keeps notes up-to-date on all of your devices.
- **Publisher** allows you to create professional-looking, personalized publications for attention-grabbing impact.
- **Access** enables you to develop custom apps fast (Available with ProPlus only).

The Fusion Connect Advantage

Security You Can Rely On

Fusion Connect's advanced service delivery network is backed by an industry-leading Service Level Agreement (SLA).

Years of Experience and Expertise

Over 20 years; technical expertise leveraging our Microsoft Certified Professionals.

Ease of Doing Business

A single web-based Control Panel allows you to easily manage all of your Fusion Connect services.

Experienced Customer Support

Our knowledgeable, U.S.-based technical experts are available to assist you, 24/7.

MAKE THE MOST OF COMPLETE OFFICE 365 SOLUTIONS

INTEGRATE THE OFFICE SUITE WITH CLOUD-BASED EMAIL, SHARED CALENDARS, INSTANT MESSAGING AND WEB CONFERENCING, COLLABORATION TOOLS, AND FILE BACKUP AND SHARING.

Overall, Cost-Effective Solutions

Professional delivery of these essential services adds up to increased cost savings and top-notch security.

- **Business-class Email.** Includes large, 50GB mailboxes that can send messages up to 25MB in size, with contacts, shared calendars and spam and malware protection that stays up to date. Use custom domain for business email address, connect with Outlook for fully featured offline support, and access via the web through any modern browser. Available on PC or Mac, Windows Phone, iPhone, Android and Blackberry devices.
- **Online Meetings & Secure Chats.** Hold scheduled or ad hoc online meetings for up to 250 participants, with screen sharing, audio & video, and virtual whiteboards.
- **Online document storage and file sharing.** OneDrive provides 1TB of space in the cloud to store, backup and easily share files. Access files from almost any device.
- **Private social networking and collaboration.** With Yammer, create a social network that helps your teams stay connected and make faster decisions.
